March 30, 2009

Dear Pool Member,

We are looking forward to a great summer at Reeds Community Swim Club. Please note the following important updates regarding the 2009 Swim Season:

- ❖ **Membership dues & maintenance fees:** Annual dues & maintenance fees will remain \$150 each for a **total of \$300.00 for the 2009 Summer Season.** At this time there will not be an assessment fee with the goal to prevent such this season. To make this possible we have initiated a **2009 Membership Drive** to recruit new members with money saving incentives for current members of the club. For every new member application you submit that results in the approval of a new member, we will issue you a \$50.00 incentive check. Enclosed you will find a 2009 Application so get started recruiting new members today! Please be sure to include your name as the sponsor to assure you receive your \$50.00 incentive payment. Each new application will be reviewed and go through the approval process by the board of directors as adopted in prior seasons. Incentive checks will be issued the first of each month beginning June 1, 2009.
- ❖ **Stock:** Stock prices for this season have decreased. New stock prices issued directly from the Reeds Community Swim Club will be sold for \$50 per share. All new members will pay this in addition to the annual membership dues & assessment fee for a total of \$350 to join. Stocks are limited and provided on a first come basis at these prices.
- ❖ **Payment Method Changes & incentives:** Beginning this season, Reeds Community Swim Club will accept check or money order **only** for payment of membership dues. The purpose of this is to eliminate excessive cash on site during opening week. There are great start-up costs prior to the pool opening. Prompt collection of dues will assure these expenses are covered & prevent delays for opening day. To assist in the prompt receipt of membership dues, we will offer further incentive to members who pay the 2009 membership dues early. **Any member who pays the membership dues by May 1, 2009 will be issued five (5) visitors passes on opening day that can be used any day of the week.** These passes are non-transferrable, must be used with an active member and will be valid for one (1) visitor per pass during the 2009 season. Please send your check or money order made payable to: **Reeds Community Swim Club, P.O. Box 2104, Lexington NC 27293-2104.**
- ❖ **Upcoming Dates:** Please mark your calendars for the following important dates:

- ❖ **Job Opportunities:** The board is currently accepting applications for Co-manager positions. If you would like to submit an application, please call the pool at 336-787-5010 for more information. The pool will operate under the supervision of two (2) Co-managers this season. Returning managers and lifeguards are given first consideration for the positions available. Managers must be certified for pool management and be able to provide proof of completion of the Certified Pool Operator (CPO) course. Other requirements for managers include the ability to supervise and communicate effectively with staff and pool members.
- ❖ **Swim-Team Opportunities:** The swim team coaches have many volunteers who assist them with the team. It is \$10.00 to join the team, sign-ups will be held the first week the pool is open. This is a great opportunity for your child to learn to swim competitively as well providing a positive social environment for families. The Aqua-Dragons have been the county champions for eleven (11) years producing quality swimmers every year. For more information on Swim Team opportunities, please check out the website.
- ❖ **Private Party:** Reeds Community Swim Club can be rented for private parties on Saturday and Sunday evenings for a two (2) hour time slot. The cost is \$150 for members and \$200 for non-members. Please check the website or see a pool manager for availability.
- ❖ **Fun-Days:** Each Summer we try to incorporate special events to bring families together for poolside fun. Past events have included School's Out Party, Movie Nights and 4th of July Celebration. Now we want to hear from YOU for suggestions of events your family would enjoy. Fun Days take a lot of preparation, so we want to make sure we are providing events you and your family want to participate in. We also welcome anyone who would like to participate in the planning stages for fun days as well. Please watch the website for upcoming events or contact a member of the board with your suggestions!

We look forward to a great 2009 swim season. Thank you for your patronage & efforts to make Reeds Community Swim Club a great place to spend your summer!

Sincerely,

Shannon Koontz
